NOTICE DO THE MARKET

BM&FBOVESPA registered 236,080 contracts traded at the GTS, the exchange's electronic derivatives platform, through the north-south order routing with CME/Globex in March/09. During this period, 15,852 trades occurred.

Launched in September 30th, the north-south order routing allows customers connected to the Globex trading system, widely distributed in more than 80 countries, to trade directly the products offered by the BM&F segment. Among them, options and futures contracts of interest rates, foreign exchange rates (FX) and commodities such as coffee, corn, ethanol, live cattle, etc.
