**4. Resolutions taken by unanimous vote, without qualification, based on supporting documents filed at the registered office of the Company, following a decision authorizing minutes drawn up in summary form:**

**4.1.** Based on article 55 of the Bylaws and article 9 of Law No. 9,249/95, the directors approved distribution and payment of interest on shareholders' equity in the aggregate amount of twenty million Brazilian *reais* (R\$20,000,000.00), or R\$0.009984 per share, which distribution shall be computed as part of the mandatory annual dividend. It is estimated this distribution should result in payment R\$0.008487 per share, net of withholding income tax levied at the rate of 15%, except for shareholders that are subject to different tax treatment or are exempt from this tax. Given that amounts per share are estimated, these amounts may change due to sale of treasury stock implemented for fulfillment of stock options exercised within the scope of the Stock Option Program adopted by the Company.

**4.2.** Interest on shareholders' equity now distributed will be paid to shareholders on January 8, 2010, based on the ownership structure as of December 22, 2009.
