NOTICE TO THE MARKET

Clarifications on news report published on February 03, 2015

Pursuant to a request for clarification referenced 0213/2015-SAE, through which the Issuer Supervisory Department of BM&FBOVESPA S.A. - Bolsa de Valores, Mercadorias e Futuros ("BM&FBOVESPA" or "Company"), acting within the scope of a certain Cooperation Agreement executed with the Brazilian Securities Commission (Comissão de Valores Mobiliários) asks for clarification regarding news published at <http://br.reuters.com>, on February 03, 2015, under the headline "BOVESPA has average volume of BL 6.7 billion in January, foreign investors have 52.2% share" ("Bovespa tem giro médio de R\$6,7 bi em janeiro; estrangeiros têm fatia de 52,2%"), as well as other information considered important, we hereby clarify that the average daily value traded in January 2015 was BRL 6.3 billion, while the information about the participation of foreign investors is correct. We also take this opportunity to clarify that the Company's operational statistics, such as trading volumes and the participation of investors, are updated and made available daily on the Company's website: www.bmfbovespa.com.br (Mercados > Ações > Para Consultar > Dados de Mercado or Mercados > Cotações > Boletim Diário). Specifically in the case of trading volumes and the price quotations of shares and traded contracts, this information is also provided in real time for information providers, market participants and investors connected to BM&FBOVESPA and with a 15 minute lag on the Company's website.

São Paulo, February 03, 2015

Eduardo Refinetti Guardia

Chief Product and Investor Relations Officer
