* * BM&FBOVESPA's trading systems can be accessed using four types of DMA: 1, 2, 3 and 4.

In Model 1, or traditional DMA, customers access the trading system via the technological structure of a brokerage house.

In Model 2, or DMA via a provider, customers do not use a brokerage house but connect via an authorized access provider. DMA with order routing via Globex in the BM&F Segment is a form of Model 2 access.

In Model 3, or DMA via direct connection, customers connect directly to the Exchange's trading platforms.

In Model 4, or DMA via co-location, customers install their computers inside the Exchange.

Note: The above trading values and volumes by access type include both sides of each trade (buy and sell).

DMA trading statistics have been consolidated in BM&FBOVESPA's monthly reports since October/October 2009.
