NOTICE TO THE MARKET

Restatement of documents related to the Shareholders' Meeting of 04/28/2017

BM&FBOVESPA S.A. – Bolsa de Valores, Mercadorias e Futuros (“Company” or “B3”) informs that, today, restated the Management Proposal and Guidelines on Participating in the Shareholders' Meetings of April 28, 2017.

This restatement is due exclusively to some inconsistency identified in filing in the item 13.11 of B3's Reference Form, attached to said Proposal and Guidelines, which did not include, when applicable, social charges (INSS and FGTS) on the basis of calculation of the highest, average and lowest individual compensation paid to members of the Company's board of directors and executive board in the years 2014, 2015 and 2016. In the version of item 13.11 of the Reference Form restated today, such social charges related to those periods were included in the calculation basis.

B3 also informs that there was no change in any element of the proposal for the global compensation amount payable in 2017 to the members of its board of directors and executive board, as well as in no other aspect of the other items that make up the Management Proposal.
