NOTICE TO THE MARKET
Class Actions and Administrative Improbability Actions - Bancos Marka and Fontecindam

B3 S.A. – Brasil, Bolsa, Balcão ("Company" or "B3") informs hereby that it has obtained a favorable decision in relation to the Marka and Fontecindam case.

The Federal Regional Court of the 1st Region has accepted B3's appeals filed against the rulings made in the class actions and administrative improbity actions involving the Marka and Fontecindam case, so as to exclude the Company's liability for the reimbursement of alleged damages suffered by the Treasury in connection with transactions closed by the Brazilian Central Bank, in January, 1999, in the US Dollar Futures Market. The decision is still subject to appeals.

The judicial lawsuits mentioned in the Notice are described in item 4.3 of the Reference Form and have been addressed in the Notice to the Market released on 03.27.2012.
