NOTICE TO THE MARKET

Consent Decree with CADE

B3 S.A. – Brasil, Bolsa, Balcão (“Company” or “B3”) informs that, on this date, the Board of the Brazilian Antitrust Authority (“CADE”) approved a Settlement Agreement (*Termo de Compromisso de Cessação de Prática* - “TCC”) which suspends for five years the investigation No. 08700.002656/2016-57 (“Investigation”) currently in progress in CADE. Subject to CADE’s verification of full compliance by B3 of its obligations under the TCC, the Investigation will be irrevocably dismissed after the five-year period.

Under the TCC, B3 undertook (i) certain commitments related to the conditions for access of other Financial Market Infrastructures (“FMIs”) to Central Counterparty and Central Depository services offered by B3 in the cash equity market, in addition to commitments already established in the Settlement on Remedies Agreement (“ACC”) executed with the CADE on March 22, 2017; and (ii) to pay R\$9,443,489.68 to CADE within 60 days as of the official publication of the TCC in the Federal Official Gazette.

The approval of the TCC did not result from any judgment or analysis by CADE of the merits regarding the alleged conducts which were being investigated. Accordingly, the TCC does not imply acknowledgment by B3 of any guilt or of the unlawfulness of the alleged conducts which were being investigated.

Lastly, we note that execution of the TCC does not produce effects on the ongoing arbitration proceeding started in accordance to the ACC, the arbitration addresses the conditions for access to B3’s Central Depository services by another FMI and is protected by confidentiality.
