## Forward Looking Statements

This presentation may contain certain statements that express the management's expectations, beliefs and assumptions about future events or results. Such statements are not historical fact, being based on currently available competitive, financial and economic data, and on current projections about the industries BM&F Bovespa works in. The verbs "anticipate," "believe," "estimate," "expect," "forecast," "plan," "predict," "project," "target" and other similar verbs are intended to identify these forward-looking statements, which involve risks and uncertainties that could cause actual results to differ materially from those projected in this presentation and do not guarantee any future BM&F Bovespa performance.

The factors that might affect performance include, but are not limited to: (i) market acceptance of BM&F services; (ii) volatility related to (a) the Brazilian economy and securities markets and (b) the highly-competitive industries BM&F Bovespa operates in; (iii) changes in (a) domestic and foreign legislation and taxation and (b) government policies related to the financial and securities markets; (iv) increasing competition from new entrants to the Brazilian markets; (v) ability to keep up with rapid changes in technological environment, including the implementation of enhanced functionality demanded by BM&F customers; (vi) ability to maintain an ongoing process for introducing competitive new products and services, while maintaining the competitiveness of existing ones; (vii) ability to attract new customers in domestic and foreign jurisdictions; (viii) ability to expand the offer of BM&F Bovespa products in foreign jurisdictions.

All forward-looking statements in this presentation are based on information and data available as of the date they were made, and BM&F Bovespa undertakes no obligation to update them in light of new information or future development. This presentation does not constitute an offer to sell or the solicitation of an offer to buy any securities, nor shall there be any sale of securities where such offer or sale would be unlawful prior to registration or qualification under the securities law. No offering shall be made except by means of a prospectus meeting the requirements of the Brazilian Securities Commission CVM Instruction 400 of 2003, as amended.

Headcount

Personnel Expenses (BRL millions)

- Headcount reduction in Mar'09 : 4.4% lower than 3Q08
- Stock Options Expenses: BRL 11.9 million in 3Q09
- Severances: BRL18 million in 1Q09, BRL 4.4 million in 2Q09 and BRL 1.4 million in 3Q09
- Union Bargain: 5% increase in Aug'09

## Cash and Cash Equivalents

- Cash and Cash equivalents (short- and long-term) at the end of the quarter to Sep'09 amounted to BRL 3.2 billion (11.3% higher than 2Q09), comprised of third-party collaterals worth BRL 980.0 million, deposited with our clearing centers, and BRL 540.4 million in own financial resources of restricted use for being tied to our clearing structure. This increase in cash position from the second quarter is due mainly to a 24.2% variation in cash margin deposits made by participants and the cash flow generation in the period.

## Deferred Liabilities

- Deferred liabilities are a result of deferral of BRL 79.6 million related to a transitory adjustment of the tax benefit derived from amortization of goodwill in the quarter to Sep'09, with no impact on cash flow

## Financial Income

- BRL 57 million in 3Q09, 16.1% below 3Q08, reflecting the cuts in the interest rates that remunerate financial investments, falling from BRL 93.7 million in 3Q08 to BRL 65.9 million in 3Q09. Climbed 4.0% when compared to the 2Q09 (BRL 54.9 million)
